

A NEW HOSPITALITY IN HISTORIC SURROUNDINGS, SUPERBLY LOCATED

PLAN OF THEATERSAAL AND APPENDIX

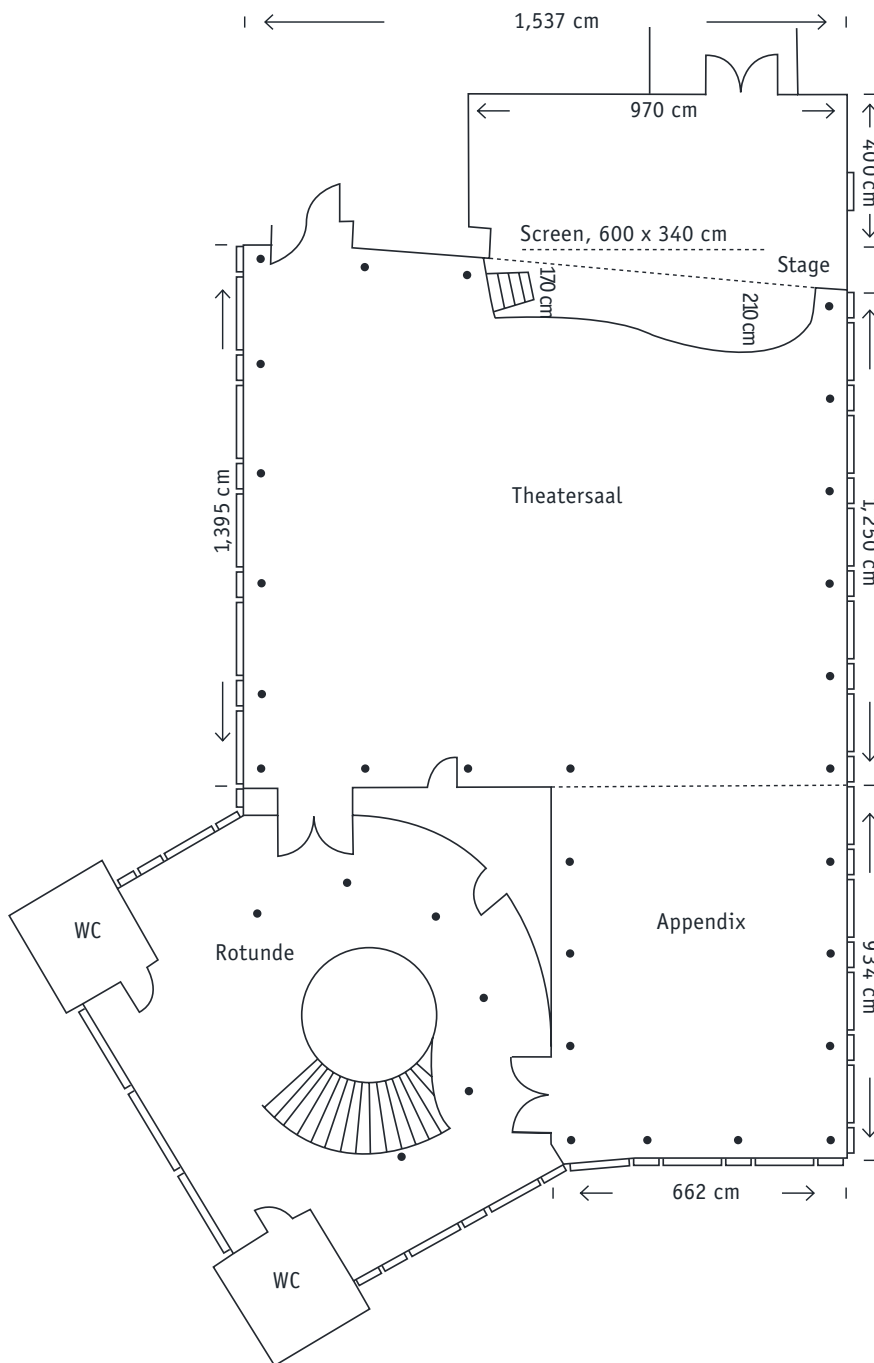

A staircase sweeps in an ample coil from the main entrance of the Hentrichhaus to the upper storey foyer, which leads in turn to the Theatersaal and Appendix. The tone of the rotunda entry zone is set by changing, spectacular installations of contemporary art. The wide glass façades of the auditorium offer a magnificent prospect of the Hofgarten and the splendour of the Malkasten's own park. The two spaces can be combined with ease. An exclusive, original 1950s interior designed specifically for the Malkasten.
